LIVE EVENT PRODUCTION

Early-career live event professional pursuing stage management and concert production, with hands-on experience supporting talent movement, backstage logistics, credentials, security coordination, artist hospitality, and live-event operations. Strong communicator who builds rapport with talent and staff, takes initiative, and is eager to develop technical knowledge across staging, audio, lighting, and production.

EDUCATION

California Polytechnic State University, San Luis Obispo

Sept 2023 – June 2027 (Expected)

Bachelor of Liberal Arts, Sociology & Criminal Justice

RELEVANT EXPERIENCE

Stage Management, Brand New Media

Apr 2026 – Present

- Supported stage management across three live events, coordinating talent movement on and off stage and helping maintain safe, orderly operations.
- Coordinated with security on artist movement and credentialing, helping establish safe paths for talent and management through crowded event environments.
- Served as an off-stage liaison between production staff, security, talent, and management; communicated timing and logistics between backstage and front-of-house areas.
- Managed last-minute artist-management logistics, including locating and transporting management to backstage areas under time pressure.
- Provided artist hospitality and responded to last-minute requests while maintaining professional communication and discretion.

Senior Project: Career Fair Planning, California Polytechnic State University

Aug 2026 – Feb 2027

- Help plan and coordinate a student career fair with a team, including employer recruitment and event logistics.
- Conduct cold calls and email outreach to prospective employers and coordinate with venue staff and media/advertising resources.

Social Media Manager Intern, BBI Autosport

Dec 2025 – Jan 2026

- Shifted social strategy toward short-form video, including Reels/TikTok cross-posting, to increase Instagram engagement.

Audio Editor, The Truck Show Podcast, Truck Famous LLC

Nov 2023 – Dec 2024

- Edited two episodes per week for the #1 pickup-truck enthusiast podcast, supporting consistent weekly production.

House Manager, Beta Theta Pi, Epsilon Delta Chapter

- Managed event-related operations at the fraternity house, including planning themes, delegating cleanup and setup responsibilities, and coordinating with members.
- Communicated with the landlord and alumni during events and alumni weekends, developing experience coordinating multiple stakeholders.

Event Staff Crew, KROQ-FM Los Angeles

Jun 2016 – Sept 2018

- Supported promotional staff and DJs during live events, gaining early exposure to event operations and live production environments.

ADDITIONAL EXPERIENCE

Sales Associate, Long Beach Clothing

Aug 2024 – Dec 2024

Intern Law Clerk, Los Angeles County District Attorney's Office

Jun 2023 – Aug 2023

Sales Associate, Target Corporation

Jul 2022 – Jul 2023
